#### Publications

---

Publications so far include contributions in various policy documents related to medical services, among others the “National Organ Tissue and Cell Transplantation Policy” and the “Unrelated Living Organ Donation: Policy and Procedures”.

Also experience in writing circulars for the Director General of Health Malaysia (7), speeches and press statements (4) for top Policy Makers in the Ministry of Health including the Minister of Health Malaysia. Apart from that, I have also involved in preparing various public information materials including booklets, pamphlets and videos.

*Full list of publications is as per appendix I.*

#### Talks and presentations

---

I have given talks including at public forums, radio talk show and seminars/ workshops organised for health professionals of various categories. I have also presented a paper on ethics of transplantation entitled "Is it justifiable to promote living organ donation as an alternative to deceased organ donation?" at 13<sup>th</sup> Scientific Meeting of Malaysian Society of Transplantation 2010.

*Full list of talks and presentations is as per appendix II.*

#### Conferences

---

I have attended several international conferences namely at Cairo Egypt, Vancouver Canada and Buenos Aires Argentina. The conferences covered various aspects of organ, tissue and stem cell transplantation including ethics and legislations. This includes the XXIII World Congress of the Transplantation Society held in Vancouver Canada on 15 – 19 August 2010. I have also attended various conferences, seminar and workshops at national level on matters pertaining to transplantation, general ethics, nephrology, healthcare reforms and financing.

*Full list of conferences is as per appendix III.*

#### Other professional experience/ involvement

---

Officer on duty/ in charge in Malaysian Parliament for the Ministry of Health in both House of Representative (Dewan Rakyat) and House of Senate (Dewan Negara). I am also experienced in giving briefing on relevant issues especially pertaining to organ transplantation to the Minister of Health, Deputy Minister of Health and the then Parliament Secretary to the Ministry of Health.

I have involved in the Working Group for the "System for Star Rating in Public Sector" in the assessment on performance of the Office of the Director General of Health Malaysia in 2010. The "Star Rating in Public Sector" was initiated by the Malaysian Administrative Modernisation and Management Planning Unit (MAMPU) under the Prime Minister's Department to recognise performance and to cultivate competitiveness in public sector. The Office of the Director General of Health managed to obtain full 5 Stars in 2010.

I am also experienced in organising events at national level including the World Kidney Day 2012 Celebration on 4<sup>th</sup> March 2012 at Kuala Lumpur which was officiated by the Deputy Prime Minister of Malaysia.

### Involvement in other activities

---

I have involved in various recreational activities including marathons.

*Full list of involvements in other activities is as per appendix IV.*
